EPARRP REFRESHER 100% ONLINE

EPA certification is required certification for individuals performing renovation, repair, and painting activities on homes or child occupied facilities built prior to 1978. To receive EPA lead certification, workers need to complete an 8-hour Lead Renovator Certification course instructed by an EPA authorized training provider.

We are confident that you will enjoy this epa lead certification course. But in the off chance you are dissatisfied for any reason, we will refund your payment, no questions asked. That simple!
