

8 HOUR EPA RRP LEAD RENOVATOR

BUSINESS

MOTIVATION

ABLE SAFETY CONSULTANT

EPA RRP INITIAL LECTURE ONLINE

- Although this course is not available entirely online, the EPA allows for the majority of the course to be completed online followed by a 2-hour hands on portion which must be taken in-person. Getting your rrp certification has never been so simple.
- 1. Register for the "Initial Lecture Online"
- 2. Choose a date to attend the hands-on portion of the course
- 3. Complete the 6-hour online training portion
- 4. Attend the 2-hour hands-on training segment.
- 5. Complete the final exam and receive your epa lead certification!
